ASTRA

CAR OF THE YEAR 2016
THE ACTUAL BENCHMARK
IN GERMAN ENGINEERING.

The Astra Hatchback and Sports Tourer are more than Opel’s new flagship compacts. Each is a masterpiece of German engineering and iconic design.

Every Astra marries premium-class features with sporty handling and unprecedented connectivity. This is the benchmark in the compact class.

Do you need another convincing argument? Here is one more. After winning Germany’s 2015 Golden Steering Wheel award, our compact class flagship is now ‘Car of the Year 2016’!
FORM FOLLOWS DESIRE.

Outstanding cars call for stand-out design, and the Astra delivers from every angle. If you appreciate beauty, you’ll love its lines.
KING OF CONVENIENCE.

The new Astra Sports Tourer combines the looks of an athlete with the appeal of a high achiever. With its generous boot capacity and the premium features of the Astra Hatchback, the Sports Tourer is a true front-runner.
The Astra is tailor-made to put you at ease. Its large, premium interior effectively created a new category in the compact class.
1. The roomy boot. The low sill of the Hatchback makes the boot easy to load. With its large, adjustable capacity, it also offers plenty of space.

2. Switch to deluxe. There’s added legroom in the back seats and two ergonomically certified\(^1\) AGR seat options\(^2\) up front (AGR design helps promote a healthier back). Choose multi-adjustable AGR front seats with extendable thigh support or the top-of-the-range package that includes a segment-first, electrically adjustable Wellness AGR driver’s seat in leather with built-in ventilation and in-seat massage. Find out more on page 36.

Get used to the new class of cabin and an enhanced sense of space. First-rate standards and options like in-seat massage and ventilation complement the generous dimensions and stylish trims.

- The Astra says ‘segment leader’ the moment you open the door
- Luxurious materials complement sophisticated colour choices
- Optional\(^3\) back-friendly AGR front seats are ideal for long trips
- Ambient lighting\(^4\) adds to the premium atmosphere
- The Astra cabin is quieter, calmer and larger than ever before

\(^1\)AGR seats are certified by the German AGR (Campaign for Healthier Backs), a centre of excellence for ergonomics. The certificate is a seal of quality awarded by an independent testing committee made up of experts from various medical disciplines.

\(^2\)Optional back-friendly AGR front seats are available for all Trim Levels.

\(^3\)The Wellness AGR driver’s seat is optional on Dynamic and Innovation, but not available for Enjoy and Selection. Other AGR front seats are available for all Trim Levels.

\(^4\)Standard on Innovation. Not available on Selection, Enjoy and Dynamic.
If versatility is the credo, the new Astra Sports Tourer will make you a believer. The big boot (540–1,630 l) and heated rear seats¹ make for space and ease on long trips while the 40/20/40² rear seat split, with its One Touch Fold quick-release button, adds more options to your day-to-day. With the flexible Sports Tourer, you have it all your own way.

- With the optional power-operated Hands-Free Liftgate³ you can open and close the boot with just a wave of your foot (p. 38)
- Set the opening height to fit spaces with low ceilings
- Hands-Free Liftgate detects obstructions and stops automatically to prevent accidents

¹Optional. Also available for the Hatchback. ²Also available for the Hatchback. ³Standard on Innovation. Optional on Dynamic. Not available for Selection and Enjoy.
Every trip in the nimble Astra is thrilling proof of class-leading engineering.
The Opel engines deliver ample power for the lightweight Astra Hatchback and Sports Tourer. That makes your car sporty, smooth and responsive. But also economical – so you can look forward to an exceptional and efficient drive.
1. **Push your pulse.** With a top speed of 235 km/h. Or get excited about the 77 kW (105 hp) 1.0 l Turbo ecoFLEX engine, which emits just 96 g/km CO₂. For petrol engines, that figure is among the best in class.

2. **Change gear and grin.** Five or six gears, automatic or manual, with Start/Stop or without – the Astra transmissions are smooth and precise.

3. **Choose your automatic.** For effortless gear changes, select a fully automatic transmission. Or an Easytronic® 3.0 semi-automatic for a more energetic driving style.

4. **Switch to sport.** Set ride and handling to sporty at the touch of a button. Standard on the Astra Dynamic.

Find out more about Opel’s exciting engines at [www.opel.com](http://www.opel.com)
INNOVATIVE BY TRADE.

The Astra line-up sets the standard for others to follow with a number of segment firsts. Premium-class innovations make driving easier, safer – and more fun.
1. **First-in-class IntelliLux LED® Matrix headlights**. Enjoy high-beam visibility without disturbing other drivers – for safer, stress-free driving at night.

2. **Opel Eye**. This camera-based safety system includes intelligent features like Active Lane Keep Assist with steering-wheel pushback and Traffic Sign Assist, Following Distance Indicator and Forward Collision Alert with automatic emergency braking.

3. **IntelliLink**. Opel’s state-of-the-art infotainment systems ensure wireless access to digital devices.

4. **Segment-leading seating**. In-seat ventilation and massage options ensure you finish long trips refreshed.

5. **Parking for pros**. Inch-perfect parking is quicker with Advanced Park Assist.

---

Optional on Dynamic and Innovation. Not available for Selection and Enjoy.

Options are available only for selected Trim Levels. Please ask your Opel retailer.

Optional on Dynamic and Innovation. Not available for Enjoy and Selection.

Some seating options are available only for selected Trim Levels.
PUT OTHER LIGHTS
IN THE SHADE.

The Astra range brings premium-class features to the compact car class, and IntelliLux LED® Matrix headlights¹ are another segment first. They adjust automatically so you can drive on high beam without the possibility of disturbing other drivers.

¹Optional on Dynamic and Innovation. Not available for Enjoy and Selection.
INTELLILUX LED® MATRIX HEADLIGHTS.

SEE AND BE SEEN.

With IntelliLux LED® Matrix headlight¹ technology, you’ll never have to switch between high and low beam again. It also gives you more time to react to potential hazards.

¹Optional on Dynamic and Innovation. Not available for Enjoy and Selection.
HIGH BEAM GOES GLARE-FREE. WITH 40 METRES MORE ROAD TO REACT.

With glare-free IntelliLux LED® Matrix headlights, the road ahead of you is always perfectly illuminated. At 80 km/h, the extended and brighter beams enable you to see potential hazards up to 40 metres sooner – that gives you up to 1.8 seconds more time to react.

1. With halogen headlights. To avoid dazzling other drivers, you switch manually between low and high beam.

2. With IntelliLux LED® Matrix headlights. Your high beam dips around other vehicles, and you enjoy a wider, perfectly lit field of view.
Opel puts intelligent technology to work where it counts:

- Your IntelliLux LED® Matrix headlights¹ comprise 16 separate LED elements
- They react to other vehicles by cutting out single LEDs
- Your high beam is glare-free all the time
- The beam is wider and longer for maximum visibility
- Driving at night is safer and much more relaxed
- Outstanding reliability ensures maximum longevity

The IntelliLux LED® Matrix system includes more advanced lighting options:

- Cornering lights further enhance safety
- Country lights adjust automatically for better visibility on dark roads
- Town lights perfectly complement better lit conditions
- Motorway mode guarantees safe, glare-free travelling at high speeds

See IntelliLux in action at www.opel.com

¹Optional on Dynamic and Innovation. Not available for Enjoy and Selection.
OPEL EYE.
SUPPORT YOUR SENSES.

Every Astra is built for people who love to drive hands-on. Which is what makes Opel Eye so clever. It gives you the added safety and convenience of an advanced driver’s assistance system1, but doesn’t issue warnings when they are not needed – and always leaves you in full control.

That’s why it comes as no surprise that the Astra range has been awarded the maximum 5-star rating by Euro NCAP for its excellent safety performance.

DELEGATE ON DEMAND.

The Opel Eye¹ safety camera helps prevent collisions, speeding tickets and much more. It’s one of the most sophisticated assistance systems ever engineered in a car.

- Opel Eye is a system of advanced safety features
- This camera-based system acts as an extra lookout
- Continuous automatic assistance helps drivers stay vigilant
- Drive safer and more relaxed in traffic and at night
- You have total control of your Astra at all times
- Active Lane Keep Assist prevents unnecessary warnings
- Adaptive Cruise Control with Full Speed Range² enables a near-to-fully-autonomous driving experience.
1. **Forward Collision Alert**
   - Gives you an audible and visible signal if you approach slower vehicles too fast from behind. To avoid rear-end collisions, up to speeds of 60 km/h the system automatically starts braking itself. The Reflective LED windscreen display provides an extra level of safety with an additional warning in the driver’s field of view.

2. **Active Lane Keep Assist**
   - Warning signals protect against unintentional gradual drifting – and the steering wheel even pushes back gently – if you start moving out of your lane without signalling.

3. **Traffic Sign Assist**
   - This advanced sign-detection system displays speed limits and other traffic signs and even recognises temporary electronic signage.

4. **Adaptive Cruise Control (ACC)**
   - By automatically accelerating or decelerating between speeds of 30 km/h to 180 km/h, ACC helps maintain a safe distance to the car ahead at all times.

5. **Full Speed Range Adaptive Cruise Control (FSRA)**
   - Designed for traffic jams, FSRA lets the cruise control continue even after having come to a full standstill.

---

For more on Opel Eye safety technology, go to [www.opel.com](http://www.opel.com)
Your well-being was a big priority when we designed the Astra Hatchback and Sports Tourer¹, starting with the added legroom in the back. When it comes to the quality of your personal space, the choice of seating, heating and scent makes the difference between the best and the rest.

¹Some well-being features available as options with selected Trim Levels only.
RELAX TO THE MAX.

Explore your options and add a little luxury to your day. For example, with heated rear seats\(^1\) and advanced Electronic Climate Control\(^2\), which lets you set a different temperature on each side of the car. Or Opel’s innovative AirWellness feature\(^3\) that refreshes the interior with one of two subtle scents – Energising Dark Wood or Balancing Green Tea.

Spend more quality time with the Astra at www.opel.com

1. **The Wellness AGR driver’s seat in leather\(^4\).** This category-first option\(^5\) is electrically adjustable and ergonomically certified to help promote a healthy back. It massages, ventilates and memorises personal settings to keep you cool and relaxed.

2. **The electric sunroof.** With this elegant skylight\(^6\), you can savour fresh air at the touch of a button.

3. **The adjustable AirWellness scent diffuser.** Freshen up with Energising Dark Wood or Balancing Green Tea.

---

\(^1\) Heated seats optional on Dynamic and Innovation. Not available for Enjoy and Selection.  
\(^2\) Electronic Climate Control standard on Innovation, optional on Enjoy and Dynamic.  
\(^3\) AirWellness available as an optional extra with FlexAdapter centre stack.  
\(^4\) AGR seats are certified by the German AGR (Campaign for Healthier Backs), a centre of excellence for ergonomics. The certificate is a seal of quality awarded by an independent testing committee made up of experts from various medical disciplines.  
\(^5\) Wellness AGR seat optional on Dynamic and Innovation. Not available for Enjoy and Selection.  
When your hands are full, the new Sports Tourer is happy to help. Thanks to its intelligent, power-operated Hands-Free Liftgate¹, all you need is one wave of your foot under the rear bumper to open the tailgate – and another to close it. Alternatively, press one of the buttons on the tailgate, the driver’s door or your key to power it up or down. The Astra keeps it easy when things get heavy. Sophisticated technology has never been more relaxing.

Find out more about Hands-Free Liftgate technology on www.opel.com

¹ Standard with Keyless Open and Start and on Innovation. Optional on Dynamic. Not available for Selection and Enjoy.
INTELLILINK.
NOTHING BEATS
GOOD CONNECTIONS.

Smartphone or tablet, Android or iOS – our ingenious IntelliLink infotainment systems¹ connect seamlessly with them all².

What’s more, both systems now offer hands-free phone calls, access to voice recognition and audio streaming via Bluetooth® from other devices², as well as a big colour touch-screen display.

²Standard on Dynamic and Innovation. Not available for Selection, Enjoy or with Easytronic®/MTA-5.
Opel OnStar\(^1\) gives you an incomparable feeling of safety, 24/7, 365 days a year. You can access our unique services at the touch of a button, virtually anywhere in Europe.

Best of all, it’s free of charge for the first 12 months\(^2\).

Driving will never be the same.

\(^1\) The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service is not available in all countries. Regarding Wi-Fi Hotspot availability in your country, please visit www.opel.com and consult your local Opel retailer. Wi-Fi Hotspot service requires account with nominated network operator. Charges apply after the free trial period. The OnStar subscription packages used for different service and the services included in the free trial package. Check www.opel.com/onstar for details of availability, coverage and charges, or ask your Opel retailer. Terms and conditions apply.\n
\(^2\) Excluding Wi-Fi Hotspot services – for availability and applicable free trial periods for the Wi-Fi Hotspot services, please check www.opel.com/onstar. An embedded Opel navigation unit and map data are requirements for this service. In events such as a crash or if your vehicle is stolen.
WHAT ONSTAR CAN DO FOR YOU.

Automatic Crash Response.
In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location.¹

Wi-Fi Hotspot.¹
In the future, you will be able to enjoy the benefits of fast and stable Internet access on board, with an integrated Wi-Fi Hotspot¹ for up to 7 devices.¹

Smartphone App.
At the touch of a button, remotely lock/unlock your doors, check your oil life or honk the horn and flash the lights.¹

Stolen Vehicle Assistance.
If someone steals your car, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your car from being restarted so it can be recovered.¹

Vehicle Diagnostics.
Whenever you want, you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with those key data.¹

Destination Download.
Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Opel’s navigation system.¹,³

YOUR PRIVACY.
YOUR CALL

YOU are in control of what OnStar can and cannot do!

- Once you’ve registered and activated OnStar, you can access every OnStar Service. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately 5 seconds to mask your car’s location at any time. If you change your mind, press the Privacy Button again for approximately 5 seconds to reveal your location. Only in emergencies¹ can OnStar override this.
- OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (e.g. Adam Opel AG), your selected/preferred dealers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.
HOW CAN I GET ONSTAR?

OnStar comes standard with the Opel Astra Dynamic and Innovation. It is available as an option on the Selection and Enjoy Trim Levels.

To get it:

1. Request OnStar when you order your Opel Astra.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar Services. This will be subject to a fee.

To find out more, visit www.opel.com/onstar
myOpel is your one-stop shop to manage everything to do with your Opel – from your OnStar account to organising your vehicle’s next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service and track service history.
- Access your OnStar Services – get diagnostics reports, manage your subscription and more.
- Exclusive offers – stay up to date on special offers, latest news and current events.
- Dealer locator – find your nearest Opel retailer.

If you are already an Opel OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. Access myOpel anytime anywhere!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from iTunes.
EQUIPPED TO EXCEED EXPECTATIONS.

From the entry-level Astra Selection to the top-of-the-range Astra Innovation, the four Astra Trim Levels offer style and sophistication you’ve never experienced in this category of car.

Standard in the Astra:

- ESP®, ABS and Hill Start Assist
- Six airbags, including a head curtain front and rear
- Tyre Pressure Monitoring System
- Headrests all round
- 60/40 split rear seat
- Two ISOFIX brackets
- LED Daytime Running Lights
- Electrically heated side mirrors

Every Astra boasts all the features you see in the list above. Lift the flap and under the headings Enjoy, Dynamic and Innovation you’ll find just some of the standards that these Trim Lines have on top.

For the full list of Opel Astra features, go to [www.opel.com](http://www.opel.com)
ONE CAR. FOUR CHARACTERS.
SELECTION

Selection has all the standards and also includes:

- R 300 BT radio
- Air conditioning
- Electric front windows
- 6-way adjustable driver’s seat
- 4-way adjustable passenger seat

1. Black grille.
2. 15” steel wheel.

ENJOY

The Enjoy Trim Level comes with these highlights:

- All the features of the Selection
- R 4.0 IntelliLink infotainment system (details on p. 42)
- On-board computer
- Cruise Control with Speed Limiter and steering wheel-mounted radio controls
- Electric windows front and rear
- Leather steering wheel
- Central front armrest

1. Chrome grille.
2. 16” steel wheel.
DYNAMIC

The sports-tuned Dynamic adds the full power package to the Enjoy list:

- Opel Eye camera-based safety system
- Sport switch for more responsive settings
- Sports seats
- Black headliner

1. Fog lamps.
2. Dynamic 17˝ alloy wheel.

INNOVATION

Innovation drivers develop a taste for luxury with these highlights and others supplied on top of the Enjoy standards:

- Opel Eye camera-based safety system
- Keyless Open and Start¹
- Ambient lighting
- Premium Morrocan interior
- Dual-zone Electronic Climate Control
- Electric parking brake with armrest
- Electrically folding side mirrors

1. Chrome window frames.
2. Fog lamps.
3. Opel-branded chrome sill plates.
4. Elegant 16˝ alloy wheel.

¹Including Hands-Free Liftgate on Sports Tourer.
SELECTION.
MAKE MORE YOURS.

Where’s the fun in buying a reasonably priced car? Simple: directly behind the wheel of the Astra Selection.

1. LED Daytime Running Lights.
2. Air conditioning.
3. Electric front windows.
4. Electrically heated side mirrors.

- R 300 BT radio
- 6-way adjustable driver’s seat
- 4-way adjustable passenger seat
- 60/40 split rear seat
- Black grille
- 15˝ steel wheels

For the full list of Selection features and options, go to www.opel.com
There’s a special satisfaction in owning a car with more advanced features than many top-of-the-range rivals. That’s why the name of this Trim Level fits.

1. The R 4.0 IntelliLink infotainment system (details on p. 42).
2. On-board computer.
3. Cruise Control with Speed Limiter and steering wheel-mounted radio controls.
4. Chrome grille.

- Leather steering wheel
- Central front armrest
- Electric windows front and rear
- 16˝ steel wheels
- Plus all the standard Astra features listed on page 50

For more Enjoy features and options, go to www.opel.com
Seating is believing. Gripped by the sports seat bolsters of the Astra Dynamic, you know another great drive is just a start button away.

1. **OnStar**: your personal connectivity and service assistant.
2. **The Opel Eye** camera-based safety system.

9. **17˝ alloy wheel.** Multi-spoke design, 7.5 J x 17, tyres 225/45 R 17 (code SBO).

10. **18˝ alloy wheel.** Sporty 5-double-spoke design, 7.5 J x 18, tyres 225/40 R 18 (code 5PB).

You’ll find alloys galore at [www.opel.com](http://www.opel.com)
WHAT YOU LIKE IS WHAT YOU GET.

There's only one thing more satisfying than a new car that does everything just as you always wanted: customising it with options and accessories until it matches your personal needs exactly – like a new car always should.

1. **FlexConnect system.** A versatile series that attaches to the headrests of the front seats. This bracket holds a tablet; others are designed for a shopping bag, jacket or beverage.

2. **Roof base carrier and Thule attachments.** Ideal for big roof boxes and sports equipment like surfboards, skis, bikes and kites.

3. **Reversible hard cargo tray.** Anti-slip, anti-spill, anti-mess of all kinds. Pro-big, clean boot. If you prefer a softer surface with carpet, just turn the tray around.

4. **Stainless steel sports pedal kit.** Added grip and sports sheen. The perfect pedals for owners of the new Astra Dynamic.

5. **Illuminated door sill plates.** Protect the sill paint, and give your passenger a glimpse of the premium interior.

6. **Universal smart phone holder.** Attached to the PowerFlex Bar, this handy gadget recharges your smartphone securely where you can easily see it. The PowerFlex mount is modular so you can easily swap for the AirWellness scent diffuser, too (p. 36).
Browse the vast range of Astra accessories at www.opel.com
The Astra features have broken through benchmarks that defined a car category. This generation of engines performs to equally moving effect.

- Agile engines provide easily enough power for the lightweight chassis
- The Astra delivers CO₂ emissions of just 96 g/km for the 1.0 l Turbo ecoFLEX – for a petrol engine among the best in its class
- The most powerful engine generates 110 kW (150 hp)

1 All information was accurate and up to date at the time of going to print. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Opel dealer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data are determined according to regulation R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable), taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment and factory-fitted options may lead to slightly higher results than the stated consumption and CO₂ figures. The figures for fuel consumption and CO₂ emissions do not relate to a specific vehicle and are not part of an offer. They are provided only for the purpose of comparison between different vehicles but may differ from the actual fuel consumption achieved in real-world driving conditions which are greatly influenced by driving style and operating conditions. Additional equipment may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top-speed and increased acceleration time. Driving performance figures assume a 75 kg driver plus a 125 kg load.

MT-5/-6 = 5-/6-speed manual transmission, MTA-5 = 5-speed Easytronic® transmission, AT-6 = 6-speed automatic transmission
SHOWTIME.

A car catalogue is only ever a rehearsal for the main event. If you like what you’ve seen of the Astra so far, you’ll love how it looks, feels and sounds live – when you take your first test drive.

Find your nearest Opel retailer at www.opel.com
REASONS TO GET EXCITED.
